

Alliance News IS *Professional*

The complete real-time news service for financial professionals and anyone who trades actively.

Alliance News IS Professional covers every Milan-listed company, including small-caps and AIM stocks. Our markets coverage tells you which stocks are moving, which are about to move, and why.

To complete the picture, Alliance News IS Professional includes top Italian and global economic, political and general news, reporting on influential global blue chips, and commentary on the foreign exchange and commodities markets as well.

Key features:

- **flash headlines** on all market-moving events;
- **In Depth** articles are our deepest dive into companies and hot topics, while our column **Affari In Piazza** brings business issues into the open.
- **In The Know** and **AIM Comments** market insight; UK, Asian, European and US market commentary throughout the day;
- **broker ratings** changes and price targets as reported and in a convenient daily summary;
- **executive interviews** and earnings previews;
- **Milan Market** - pre-open, open, midday and close;
- **winners & losers summary** - tells you which Milan stocks are moving the most and why;
- **calendars** of corporate and economic events; tables of comparative and historic economic indicators;
- **Fed, ECB and BOE Previews** - what to expect from central bank policy-making meetings;
- **primary ticker** - sensible content tagging, including the ability to filter on just the news that is **about** a company and **significant** to it; top stories code;
- **news sentiment** - positive or negative for the company, assigned by the journalist who wrote the story, not a computer;
- and an **unlimited news archive**.
