

Alliance News South Africa *Professional*

The complete real-time news service for financial professionals in South Africa.

Alliance News South Africa Professional covers every actively traded company listed on the Johannesburg Stock Exchange, large and small. Our market coverage tells you which stocks are moving, which are about to move, and why.

To complete the picture, Alliance News South Africa Professional includes top global economic, political and general news, reporting on influential global blue chips, and commentary on the foreign exchange and commodities markets as well.

Key features:

- **flash headlines** on all market-moving events;
- **South Africa Briefing** - afternoon summary of top news, broker ratings and JSE winners & losers;
- **In Depth** - Our deepest dive into South African companies and hot topics;
- **In The Know** market insight; plus JSE, UK, Asian, European and US market commentary throughout the day;
- **broker ratings** changes and price targets as reported;
- **executive interviews** and earnings previews;
- **Ubuntu Indaba** - daily column reviewing South African economics and politics;
- daily **rand** & South Africa bond market commentary;
- **calendars** of corporate and economic events; tables of comparative and historic economic indicators;
- **central bank previews** - what to expect from policy making meetings of SARB, Fed and others;
- **primary ticker** - sensible content tagging, including the ability to filter on just the news that is **about** a company and **significant** to it; top stories code;
- **news sentiment** - positive or negative for the stock price, assigned by the journalist who wrote the story, not a computer; and an **unlimited news archive**.
